

SAFEGUARDING

Female Genital Mutilation North of England

A free one day event to raise awareness of FGM and share practical issues and strategies with a multi-agency workforce.

Learn from local speakers and experts, along with community and voluntary groups who will share the challenges and provide examples of good practice on “*how we should do what needs to be done*”. Take a closer look at the FGM Enhanced Dataset with the Lead Business Analyst and learn about the new Risk Indication System.
